Relieving Principal's Report

Last week we had 8 students represent our school at the Campbelltown Zone Public Speaking Competition. I was informed that the children all did an exceptional job presenting their speeches and they should feel extremely proud of making it to this level. Congratulations to Natasha Kosztka, who won in her stage category, and will be moving to the next stage of the competition and representing at the Campbelltown Area Public Speaking Competition on Thursday this week. Good luck, Natasha!

This week our life Education program begins with class visits to the Life Education Van. These visits are designed to promote health concepts which are reinforced in teacher’s health programs within classrooms. Concepts covered differ within stages but range from healthy food choices, decision making, physical activity, cyber bullying, safe and appropriate use of communication technologies, and safety with medicines and drugs. This program is a fantastic opportunity for children to learn about health concepts in a fun, interactive and engaging learning environment.

Finally, I have included our annual parent/carer school satisfaction survey with this newsletter. We use the results as a way of monitoring our performance and report on these in our Annual School Report. We can only try to improve things when we know what you think; therefore, please make sure that you let us know your thoughts and return this survey as soon as possible to the office.

Public Speaking

On Tuesday 15 October 2013, students from Early Stage 1 to Stage 3 represented Campbelltown East Public School at the Zone Public Speaking Finals. I would like to commend all students who attended the competition on both the quality of their speeches and their outstanding behaviour on the day. I would also like to thank all the parents and carers who assisted their child with their speech, along with those that were able to come along and show their support for our school on the day.

Big congratulations to Natasha Kosztka who has made it through to the Area Public Speaking Finals.

P&C News

What a successful few weeks we have had. A massive thank you goes out to our local IGA and congratulations on their grand opening which was on 19 October 2013. They kindly offered us a fundraising BBQ, and supplied all products needed. Due to this generous offer we made a profit of $105 and helped them celebrate with family and friends. We hope to build and strengthen our relationship with them over the coming months.

Our other fundraiser the P&C Disco held on 22 October was also a great success. Thank you to all the students and teachers who attended. A great time was had by all, even though the heat and smoke threatened our fun. I would also like to take the opportunity to let any of you with family, friends or loved ones within the fire regions know that our hope and thoughts are with

you and we are wishing you all well.

A final reminder this week that our Laura Jeans fundraiser is scheduled for 10 November 2013. If you are considering a photo for Christmas please complete your slip and return to the office by 1 November otherwise we may need to cancel this opportunity. Remember that all those who participate receive a 10" x 1" Framed Portrait for just $15. All orders will be returned in time for Christmas.

Another important note in regards to community assistance for the school. Waminda IGA have put our school forward for the community chest, this means a percentage of money spent at the IGA will be donated back to the P&C. So please help them, and in return they will support us.

Aussie Farmers Direct also has this option available, so if you order through them, please nominate our school, so that we can receive their assistance.

We thank you all again for your support.
