Relieving Principal’s Report

Thursday Assemblies: For the sake of clarity I would like to explain our assembly awards and assembly routines. As you are aware we have a K-2 assembly and a 3-6 assembly on alternate weeks on a Thursday. A timetable has been provided indicating the days they are on for your convenience.

Students receiving awards will receive them at these assemblies. Invitations will only be given to those parents/carers whose children are receiving a Principal’s award or a distinguished school service award. All other awards ie white merit awards and special awards will be handed out at these assemblies, but invitations will not be sent out.

If you are able to attend our Thursday Assemblies, be it the K-2 or the 3-6 or both I extend an open invitation to you now and look forward to your attendance at these assemblies. If your child is to receive a principal’s award or a distinguished school service award you will receive a personal invitation to see your child receive these awards.

Teacher’s Car Park: Please be reminded that the teacher’s car park is not to be used for dropping off and picking up of children. We have the safety of the children at heart and can’t allow them to be in this area due to the volume of traffic. Unfortunately on most days at school the spaces in the teacher’s car park are at a premium and are for the sole use of staff at the school. Thank you for your cooperation in this area.

Smoking in School Grounds: Just a general reminder that smoking is not allowed in school grounds. We place the health and safety of students, staff and visitors highly so please make sure that if you wish to smoke please do so outside of school grounds.

Mr M Wallace

Mathethon Fundraiser Reminder

The Student Representative Council is organising a Mathethon that will be held on Thursday, 20 June 2013. The aim of the event is to raise money for the school and to help children learn number skills, while getting excited about mathematics. All money raised will go to Year Six’s end of year celebration.

How it works: Each child is given a number skill to focus on by their teacher. Children can then practise at home by visiting www.studyladder.com.au and clicking on the MATHETHON link, (or by using printed worksheets supplied by their mathematics teacher).

At the completion of the practise period the children compete at school in a two-minute challenge. The aim is to answer as many questions correctly in two minutes as possible.

Fundraising element: Students are asked to get sponsors for the number of questions they will answer correctly during the two-minute challenge. They are sponsored on a 'per question answered correctly' basis. (Eg 10 cents sponsored per correct answer and 25 correct answers achieved, then the sponsor pays 10 x 25 = $2.50).

20 June 2013

The School Mathethon is a fun and engaging fundraiser that helps students develop core numeracy skills while raising money for the school. Students are sponsored by friends and family per “correct answer” on a sponsorship form provided. The aim is to answer as many questions as possible in a two minute period.

Each student is given a number skill to focus on by their teacher and opportunities are provided to students to practise the quiz online. Children can also practise the Mathethon quiz at home, at anytime, to help improve their speed and accuracy in number skills. Visit www.studyladder.com.au/about/fundraising-mathethon to practise.

The money raised will be donated to our Year Six students’ farewell graduation. There will be small prizes organised for first, second and third place for students who answer the most questions.

Good luck everyone!

Please see forms with this newsletter.

Parent/Carer Workshop

Do you want to meet people? Would you like to have a chat and enjoy a coffee or tea with other parents/carers?

Your help is needed for the parent/carer workshop. The workshop runs on
Thursday afternoons
1.30pm - 3pm

Staff and teachers would appreciate your help with odd jobs such as cutting, pasting, laminating, covering books and many other exciting jobs.

Please mark your 2013 calendar for Thursday afternoons.
Our first Winter Gala Day is fast approaching. This Friday, 24/5/2013, we have nearly 70 students who will be representing our school in soccer and netball. These teams have again been training very hard and I’m sure their commitment will pay off when they play their first games for the season. For those parents/carers wishing to come and watch, you are more than welcome.

Netball will again be played at the Minto Netball Courts and soccer this round will be played at Ambarvale Sporting Fields. Games will start from approximately 10am.

Students are reminded to bring enough food to last them the whole day and enough water for 3 games. Again, there will be a canteen available, but we would prefer if our students were not going to the canteen to buy lollies or soft drinks throughout the day. They definitely do not need these and eating them could make them sick while they are playing.

Also, don’t forget students are to wear full school sports uniform, which includes their blue school hat. All students are required to be at school no later than 8:45am so we can get away on the bus quickly. Cost for the bus will be $7.00 per student, which is payable to Mrs Heath by Friday as soon as possible.

Good luck to all involved!!

Zone Cross Country

Congratulations to everyone who competed in our school cross country in week 2. Unfortunately due to the weather and soggy grass we couldn’t sit on the oval, but the positive sporting spirit, encouragement and enthusiasm was still evident.

From the carnival we now have 48 students who will represent Campbelltown East at the Zone Cross Country on Thursday 30 May 2013. The successful student’s names are listed below. As mentioned above, the Zone carnival is on Thursday 30 May 2013 and will be held at Thomas Acres Reserve. All of our students are required to catch the bus to the event. The cost for that bus will be $11.00 per student.

Students will receive an information note attached to this week’s newsletter, but if parents/carers need further information please contact Ms Chapman or Mrs Tinson. Good luck everyone…Run fast!!

P&C News

What an eventful few weeks we have had with the P&C. Thank you again to all of our volunteers who assisted with the cross country BBQ and the mother’s day stall. The support was overwhelming and the children and the P&C appreciate your kindness. A big thank you to the school for their donation, our wonderful GA Alan, who cooked all the sausages with the help of his offsider Mr Hall.

I hope every mother, grandmother, aunt, parent/carer and special person had a “Happy Mother’s Day” and enjoyed the gifts that their child/ren brought from the stalls. I saw personally that a lot of time went into the choices the children made, and we had many happy faces after their purchases.

A reminder that our Cadburys Fundraiser will begin on Thursday 30 May 2013. A permission slip is attached to the newsletter for those families wishing to allow their child/ren or a family member/friend to collect their chocolates. We look forward to meeting some new faces on the day.

Finally please join us for our meeting tomorrow at 1pm in the school hall. Everyone is invited, and welcome to express their ideas and opinions.

Regards
Mrs J Haldenby
President
