Term 3: Monday 15 July – Friday 20 September (students return 16/7/13)
Term 4: Tuesday 8 October – 20 December 2013 (students finish 18/12/13)
Welcome back to Term 3. We hope all families and children had a restful break. This term is shaping up to be an extremely busy one, with many scheduled events on the school calendar.

As mentioned in the last newsletter of Term 2, the staff participated in an intensive day of professional development on Monday of last week. This Staff Development Day was used to support planning for the implementation of the new English syllabus for the Australian Curriculum, which will be implemented next year.

Tomorrow afternoon we look forward to Parent/Teacher interviews with those parents/carers who have requested an interview. During this time teachers will be able to discuss with you your child’s recent report, pinpointing areas of strengths and areas in need of improvement. During the interviews we are offering a supervised area in the Support Unit rooms where a children’s DVD will be playing, so that toddlers and/or students can be supervised during your interview.

Next week (Monday 29 July – Friday 2 August) is Education Week and we invite parents/carers, relatives and friends to our PBL Celebration Open Day on Wednesday 31 July. The theme for Education Week this year is ‘Celebrating Our Stories’, and we will be celebrating the successful story of our PBL (Positive Behaviour for Learning) program here at Campbelltown East on this day. Information details and times are included later in this newsletter.

During the next few weeks our school, along with other public schools in the area, will be participating in the trial of a new tool (PLASST) being developed by the Department of Education and Communities for teachers to identify the learning and support needs of their students. This trial is focussed on the development of a sound and reliable online tool that, when finalised, can be used by teachers in collaboration with parents and carers to identify the strengths and educational needs of students with additional learning and support needs. This information will assist schools in planning and personalising learning and support for individual students who require adjustments in their day to day learning. The trial will involve teachers completing an online questionnaire about the educational needs of some of their students. Students themselves will not be required to complete any additional work or be formally assessed as part of the trial. This trial will not impact on students’ education provisions.

Further information about the PLASST trial is included in the letter to parents note sent home with the newsletter this week.

Finally, I would also like to inform parents/carers and the community that Mr Pooley is still currently on leave until the end of July. If you need to discuss any issues, please speak firstly with your child’s classroom teacher or supervisor, or make an appointment with me through the front office.

Relieving Principal

**P&C News**

Welcome back to term 3, We hope you all had an enjoyable holiday.

The P&C would like to thank everyone for their help throughout the first two terms, and look forward to working with you for the rest of the year.

We have included our Fathers Day letter with this newsletter and are happy to announce our Laura Jeans Fundraiser has been confirmed for Sunday 10 November 2013. Please notify the P&C if you or your family and friends would like to be involved. The cost this year will be just $15, and each family will receive a 10 x 13 inch family photo. All orders will be back in time for Christmas to make a beautiful gift. Time allocations will be provided once interest is shown, so get in quick. All money raised will go towards our students.

Due to the monthly meeting falling on the first day of term, our next meeting will be held at 1.30pm on 20 August 2013. Everyone is welcome.

J Haldenby
P&C President
