School Term Dates 2013

- Term 2: Monday 29 April – Friday 28 June (students return 1/5/13)
- Term 3: Monday 15 July – Friday 20 September (students return 16/7/13)
- Term 4: Tuesday 8 October – 20 December 2013 (students finish 18/12/13)

The P&C meets on the 3rd Tuesday each month. All parents/carers and community members are welcome.
Congratulations to Andrew Groenendaal who has been selected as our School Ambassador for 2013. Andrew who as you may or may not know is an enthusiastic member of our school and is always ready to assist staff and students without complaint. I personally saw him at his very best at the senior camp in 2012 where he took on several roles not the least of which was our “go to social director.”

Andrew’s role for this year is well deserved and we know he will do Campbelltown East proud at his upcoming Leadership Day held at Belgenny Farm on the 13th June.

On another slightly less pleasant note, our new toilets are being repaired at considerable school expense due to damage caused over the last few months. This damage has been caused during the school day as a result of careless behaviour. We hope that when the toilets are fully repaired we can all take pride in them and look after them as we would our own. It is important to all of us to have a clean, well maintained toilet block for the children to use during the day.

Mathethon Fundraiser Reminder

The Student Representative Council is organising a Mathethon that will be held on Thursday, 20 June 2013. The aim of the event is to raise money for the school and to help children learn number skills, while getting excited about mathematics. All money raised will go to Year Six’s end of year celebration.

How it works: Each child is given a number skill to focus on by their teacher. Children can then practise at home by visiting www.studyladder.com.au and clicking on the MATHETHON link, (or by using printed worksheets supplied by their mathematics teacher).

At the completion of the practise period the children compete at school in a two-minute challenge. The aim is to answer as many questions correctly in two minutes as possible.

Fundraising element: Students are asked to get sponsors for the number of questions they will answer correctly during the two-minute challenge. They are sponsored on a 'per question answered correctly' basis. (Eg 10 cents sponsored per correct answer and 25 correct answers achieved, then the sponsor pays 10 x 25 = $2.50).

20 June 2013

The School Mathethon is a fun and engaging fundraiser that helps students develop core numeracy skills while raising money for the school. Students are sponsored by friends and family per “correct answer” on a sponsorship form provided. The aim is to answer as many questions as possible in a two minute period.

Each student is given a number skill to focus on by their teacher and opportunities are provided to students to practise the quiz online. Children can also practise the Mathethon quiz at home, at anytime, to help improve their speed and accuracy in number skills. Visit www.studyladder.com.au/about/fundraising-mathethon to practise. The money raised will be donated to our Year Six students’ farewell graduation. There will be small prizes organised for first, second and third place for students who answer the most questions. Good luck everyone!

Fundraising Chocolates

Choccies, Choccies, Choccies, thank you to everyone who has showed an expression of interest in our Cadburys fundraising drive for 2013. We had a great turn out of parents/carers and students attend last week to collect their boxes. Don't forget if you are still interested and haven't got yours yet, we still have a couple of boxes left, so leave your note in the red P&C box and we will arrange for them to be distributed. All money goes back towards items for the students, and we have 3 weeks to sell them.

Congratulations to those students who attended the Zone Cross Country, a magnificent day was had by all, we are very proud of the students who represented our school.

Do you have an idea for a P&C fundraiser, would you like to make new friends, or would you just like to have your say. Please feel welcome to attend the next P&C Meeting scheduled for 18 June 2013 at 1pm. We would love to see you there.

TERM TWO

20TH JUNE

A FUN WAY TO RAISE MONEY WHILE REVISING YOUR NUMERACY SKILLS!

HOW MANY QUESTIONS CAN YOU ANSWER IN TWO MINUTES?

CHALLENGE YOURSELF!
Yesterday Kinder, Year 1, Year 2 and teachers went to the Aquarium at Darling Harbour in the city. We went on the bus at nine o’clock. It was long way until we got there. We and my friends played some games until we finally arrived. At first, when we went in we looked up and saw jellyfish balloons and a platypus. We had some red jellyfish and went to the great Barrier Reef.
