Last Day for students
**New Signage** - You may have noticed that we have recently added some new signage to our school.

I would like to thank the team at Australian Access Hire for their support of our school by loaning us one of their scissor lifts to erect the sign. Thank you!

**Little Kindy** - It has been fantastic to get to know our 2016 Kindergarten students through the Little Kindy program. The students are really starting to settle in and are really getting ready for ‘big school.’

It is not too late to enrol for Kindergarten 2016. If you have a child who is turning 5 years of age before 31 July 2016 or know of any children who are in area please encourage them to come along and get involved in Little Kindy and enrol at CEPS.

**Planning for 2016** - We have started our planning for 2016 with many exciting events. Starting the new school year is an exciting time for students and we would really like to start the year with students in their 2016 classes. In order to do this it is important that we know if any students are leaving our school or enrolling in our school.

If you are moving or changing schools next year, could you please let the office know so that we can be informed for our 2016 planning.

**Extravaganza Tickets** - Costumes are getting prepared, dance moves practised and the Extravaganza is almost here.

Tickets are now on sale for family and friends to watch this amazing Extravaganza and to see their children on the ‘big stage.’ Please see the office to purchase your tickets before they are all sold out!

**Congratulations to Mrs Heath** - A huge congratulations to Mrs Heath for being acknowledged at the 2015 Principals Network Awards for her outstanding contributions to our school and schools across the network and state.

Mrs Heath will be receiving an award for all of her contributions. Congratulations Mrs Heath, you are a very worthy recipient.

**New School Dresses are available from the office** - The new school dresses are available from the office for $45 each.

**Grandparents Day** - Thank you to all of the grandparents, family and friends who came along to celebrate Grandparents Day.

A big thank you and congratulations to grandparents Deborah Brown and Grandma Jill for becoming Honorary Grandparents at CEPS.

The Talent Show

The Student Representative Council and Talent Show contestants invite parents, carers, teachers and students to attend the end of year TALENT SHOW!

Come and experience this fun and spectacular event where you will be truly ENTERTAINED!

Students will display their talents in performing acts, such as acting, singing and dancing. There will be a panel of three judges that will select the most outstanding individual and group acts.

The Talent Show will be held in the hall, Week 10, Friday 11 December 2015.

We ask that anyone coming to watch the show kindly donate a gold coin. Money raised will be donated to the 24 hour fight against cancer Macarthur.

Thank you
Mrs Nadia Zorzut
Coordinator

Sport Update

INFANTS SPORT

It is time again for some sports updates from the Infants teachers and students. Last time we heard from them they had just finished Athletics for sport and participated in their carnival. For the remainder of Term 3 they did a combination of Gross Motor Skill games and Indigenous games – making sure they are building on the skills needed to play games and sports in Primary. Before we get to the individual game reports a quick word from our new Infants Sports co-ordinator…….

We have had lots of fun this term and the warmer weather has definitely made our time during sport less chilly. Students have demonstrated their ability to work cooperatively during these games and have demonstrated great sportsmanship. It has been great to see so many children following our school rules and setting great examples for others to follow – Mrs L Tinson

Ms Milojevic

On Friday mornings, Infants sport occurs and in my group the students are involved in a tug of war match. Students are evenly divided into two teams and pull the rope as hard as they can to get the other team over the line. Students are then broken up into teams of boys vs girls to do the same thing. This game requires students to work together as a team and encourage each other. We also play a game of fruit salad for our warm up. The students really enjoy this activity!!!

- I like tug-of-war because I get to use my muscles – Luke 1-2W
- I like the tug-o-war best because we won – Valinda 1T
- I really like fruit salad as it’s a lot of fun and everyone laughs – Tahirah 1T
- I like running around with Miss M because I don’t get to race people at home – Lily KL
- I like sport with Miss M because we run around and get lots of exercise and it is fun – Nathan K-1-2M
- I liked being apples in the Fruit Salad game with Miss M because I like apples - Shaniah K-1-2M
- I like this sport because I get to verse my friends in Emu tug-a-war – Jasmine 2S
- The fruit salad game was the best because everyone could play and have fun – Shay 1-2W
- Tug-a-war is the best because you get to hold the rope and pull hard – Ben 1T
- I like fruit salad with Miss M because I got to race against Valinda and she is very nice – Frankie KL
Mrs Tinson and Mrs McCulloch

We have been playing two games during sport time this term. One of the games we have been playing is called ‘Inkanyi’ and it is a running activity where all students have to try to finish a race together. Children need to work cooperatively to successfully complete this game. The other game we have been playing is called ‘Tail Tag’. It involves students trying to tag other students ‘tails’ (the tags from Oz Tag). If a student manages to tag someone else’s tail, it then becomes their own and they can get tagged.

- I like running with my friends because I am good at it – Jessica 1-2W
- Running was good exercise and I like to practise – William 1-2W
- The best game was the tag game, it was easy to run around and get people’s tag – Emiellio 1-2W
- The tag was good because I have played it before and I’m good at running past people – Ria 1T
- I liked Mrs Tinson’s game the best because you get to run fast and my teacher Mrs McCulloch was there – Logan 1-2W
- I didn't like the first game with Mrs Tinson as I got tripped over, but the second game was more fun – Danny 1T

Mr Storey

During Term 3 I have been working with students playing traditional Aboriginal games. Students have worked on improving their aiming skills using sticks to help us throw tennis balls with speed and precision. We have also worked on running and dodging in a small area.

The general routine includes;

- Warm up: stretching and warm up drills
- Activity 1: ‘Thapumpan’ Students work on throwing balls at targets using sticks. They aim at bins that are various distances apart and gain points for their team. Students skills and techniques have improved throughout the term.
- Activity 2: ‘Yulunga’ Students work on individual dodging and catching skills as they pretend to be fish that need to get away from the sharks who are trying to tip them in a small area.

By the end of Term Three students should be more confident in communicating with their team, better at aiming, throwing further and moving quicker in small areas.

- I liked the shark and fish game, because I liked running away from the sharks – Vanessa 1T
- I like these sports because you get to run around and move all the time. You don’t have to sit and wait – Malak 1-2W
- I like the shark game because it is difficult. It was better than throwing at the bins – Claire 2S
- I like the bin chuck because it is something fun and different – Paul Henry 2S
- The shark and fish game was fun because you get to pretend you are a shark – Ismail KC
- The shark attack game was so much fun because it is fast and you have to move – Aaleyah KL
- I like both games they were fun. I liked that I got to be the shark and that Mr Storey played with us – Sirene 1T
- I wanted a turn at being a shark but no one caught me as a fish, so it was okay. I like it because I don’t get to do much sporty stuff – Jemma 1T
- I loved shooting at the long range targets. I hit the furthest one and earned three points. _ Rylee KL
- I loved being a shark chasing others. It is lots of fun with people running around – Jaxson 2
Mrs Pelle and Ms Claussen
During term 3, the students have been learning to play some new games. The first game is called flags. The students are placed into year groups to compete. Students lie on the ground with their chin down. When the teacher tells them to “go” they race to get a flag or at school we use a baton. Each time the students run a baton is removed and someone sits down. We keep playing until there is a winner for each group and only one baton left. It is a quick running game and the students need to be looking for the batons each time as they are moved around. This game is lots of fun! The other game that we have been playing is called ‘Gorri, gorri’ which is an Aboriginal name. For this game the students must make a long straight line and hold a bean bag. A large ball is then thrown past them and they must try and hit the ball with their bean bag, as if they were hunting. This game supports throwing skills. We have also been focusing on participation and supporting fellow students while playing both games.

- It was heaps of fun running for the flag. It was a bit boring waiting for my turn but lots of fun when running – Jevi 1-2W
  - I liked throwing the bean bags at the ball, it was lots of fun – Jack 1-2W
  - The best game was when we lay down, jump up and get the baton. It was easy for me but not for everyone – Braiden 1-2W
  - I like the game where you have to lie down then jump up and get the stick. It was hard but fun – Malossi 1T
  - I enjoyed the bean bag game. It was lots of fun trying to hit the ball – Rhys KC
  - I would like to play the stick game more. It was lots of fun – not too hard but not too easy, a good game to play – Nick 1T
- I liked the hunting game. It was hard to hit the ball but fun trying – Markus KL
- Running to get the baton was a lot of fun. The teachers moved it which made it harder to find – Jevonn 2S

~ Next time we will have some reports about the new sports the students are doing during Infants sports this term – some new activities that are more closely based on ‘real’ games they may play in Primary Sport in the future. ~
