Principal's Report

Change to Uniforms for 2016 - This year we have asked for your feedback on CEPS uniforms and we have greatly appreciated your support in providing us with information. Following all of your feedback the following has been actioned -

- **NEW School Dress**- a dress has been added to our uniform for the girls. It is not compulsory for girls to wear the dress.

- **NEW Jacket**- a royal blue and gold jacket is now available for girls and boys.

- **NEW School Shirt (for Mondays – Thursdays)**- following feedback we are replacing the white school shirt with a royal blue and white shirt starting 2016.

We understand the many students still have wear in their white shirts and do not expect them to be discarded for the new shirts. We do ask that when the white shirts need replacing that they are replaced with the new royal blue and white shirts that are available only from the office. No other royal blue and white shirts are CEPS uniform.

A high standard of uniform is very important to the high standards we have at CEPS. It is essential that all students wear their FULL SCHOOL UNIFORM everyday, including –

- **BLACK SCHOOL SHOES**- black school shoes should be worn by students everyday. Coloured shoes and slip on shoes are not school uniform. Slip on shoes and open shoes are not safe for wear at school.

- **CEPS School Hat**- ONLY CEPS School Hats should be worn at school. Please save all other hats for use after school and on weekends. If students are not wearing a CEPS school hat they will be asked to play in the shade at lunch and fruit break.

**Extravaganza**- On the eve of our first Extravaganza I would like to congratulate CEPS staff and students for all of the effort they have put in to creating an amazing performance. The quality of the performances is spectacular!!!

Thank you to Campbelltown East’s amazingly talented staff who have put in countless hours to making the Extravaganza the SPECTACULAR it is.

I am really looking forward to seeing the students shine on stage next week. Tickets are still available and can be purchased from the school office for $10 each. We would love to see you there.

REMEMBRANCE DAY

The 11th hour of the 11th day of the 11th month signifies the moment when Hostilities (fighting) ceased on the Western Front during the First World War. This is universally associated with the remembrance of those who had died in the war.

POPPIES

The Flanders poppy has been a part of Armistice or Remembrance Day ritual since the early 1920s. During the First World War, red poppies were seen to be among the first living plants that sprouted from the devastation of the battlefields of northern France and Belgium. Soldiers’ folklore had it that the poppies were vivid red from having been nurtured in ground drenched with the blood of their comrades.

Below see our display at Narellan Library for the month of November in honour of Remembrance Day.

PSSA Reports

We had hoped to bring you both Summer Gala Day reports this week – but last week’s event was washed out!!!! So here are the reports from the very eventful Gala Day in Week 2. That Gala Day was interrupted by a Police operation that took place close to the playing fields being used by our students. Due to the early finish of sport that day, we have a different type of report for you this newsletter edition – an overview of the day,….not individual game reports!!! We hope you enjoy this snapshot of the day written by our students!!

Girls Oztag

Junior Girls Oztag
It started as a nice hot day. I scored two tries in one game. But then something terrible happened – we saw a lot of Police going over near where the senior team were playing. The teachers and parents got us to move away from there by going over the hill. We sat with our teams and the teachers called our names to make sure everyone was where they should be, and we all were. All the schools got picked up by bus and we all got safely back to school. When we got back we had an ice-block. But I went home early because I was still a bit worried. By Summer T.

Senior Girls Oztag

It started as an awesome day and continued throughout lunch, everyone played fantastic in our two games. Then something major happened, and the Police were involved, but no one really knew what happened. We were moved from our playing area to sit with all the other schools until the situation was sorted out. Over all it was a great day and everyone returned safely. By Stephanie S, Danielle S, Natasha K and Aina W.

OZtag Blue

Junior OZtag Blue
We played all of our games but one because the Police were there trying to get a person. While they were doing that we had to go to a high school near where we were playing. It was a very hot day, but we were lucky that one of the Dad’s was happy to take our canteen money to get us slushies – much better than just cold drinks from the canteen!!!! However, that ended up being a crazy thing to do as it made us hyper and we wanted to play more games!!! It ended up being a pretty good day even with the incident ending it early for us. By Nathan V and Hunter C.

Senior OZtag BlueW
When we got to the fields we were late, but we got straight into the first game. We versed John Warby and unfortunately we lost. After the John Warby game we had a break while the juniors played. We grabbed a drink and waited for the next game against Claymore. We played the first three quarters of the game, but it got called off because the Police asked us to evacuate the fields. So we went to the high school near by, from where we went back to school and relaxed. We got a zooper dooper ice block each and watched a movie. All in all it was an exciting day. By Carlos T and Connor M.

Oztag Yellow

Junior Oztag Yellow
It was a nice day for our first oztag day this term. We played two games and did okay in them – Levi scored a try in the first game and we wore the yellow tags. Against John Warby in the second game it was hard as they had silky tags and it was very hard to grab them. Just before we played the last game against Claymore, the Police turned up to the fields and we had to leave early because of an incident. We stayed with our teachers and all the other school until the busses could come and pick us up. We got back to school and had some relaxing time with our team mates. By Alisha M and Eliza D.
Senior Oztag Yellow
On the first game we versed Rosemeadow – and they were an all boys team!!! I think they are the best team we have ever played against. Then the second game we played against John Warby – and they were hard as their tags were very silky and it was really hard to grab them as they were slippery. We also saw Miss Pylyp and it was so great to talk to her. By Connor M

School Sport Reports

Sport Group A
Morning and Middle session
This morning we looked at Captain Cook and colonisation – doing a mini history study!!! We used the xo’s to look up information on different people from that era. We looked up:-

- some of the convicts
- Which areas were colonised
- Some important people – Lachlan Macquarie, Captain Arthur Phillip

We then had to write that information into a worksheet to present to others in our group. We then did some art work based on some of the things we had talked about. By Brayden B, Joshua F and Rachael R

Afternoon session
The wombats played against the Kangaroos in T-ball for sport this afternoon. In the hot sun both teams completed two rounds [innings]. The winning team was Wombats with a close 23-21 victory. By Yraen M

Sport Group B
Morning session
We had a fun time doing ocean math problems. Then we did a research task. We got to choose either a fish, shark or killer whale. When we had done the research we then had to write a report about the one we chose. Then we had a fish craft activity to do – it was lots of fun. We have had a really good morning session. By Persia

Middle session
We had fun finishing our fish pictures. We continued to colour in all our small fish. We then had to create an artwork with the fish we made – sticking them on a piece of paper to make a school of fish. By Samantha D.

Afternoon session
During the afternoon session I played diamond cricket – it was Goannas vs Emus. We were losing by 26 points at the beginning of our innings, but by the end we overtook them. When the game ended it was 112-78. We finished as the winners. By Mahhdil A.
**Sport Spirit Awards**

It is time to acknowledge students in our school who display sports spirit. These award winners may not be the best athlete, but they try their hardest in all their sporting endeavours. They should be congratulated for their enthusiasm, determination and good sportsmanship. Each teacher is allowed to select one recipient of this award from their sports group each week. Below are the award winners for Weeks 1-4 this term (Week 5 was washed out):-

Who needs to apply?
Most students or parents won’t need to apply for the School Opal card. The School Opal card will be sent to a student’s school automatically at the beginning of the new school year in 2016.

However, a new application is required if:

- The student is just starting school or has not had a pass for travel before.
- The student is progressing from Year 2 to 3, or Year 6 to 7.
- The student is changing schools, including going between primary and secondary school.
- The student’s personal details have changed (e.g. address).

Applications must be made by a parent or guardian for children aged 15 years and under. Applications must be made by the student if aged 16 years or older.

How to apply
Step 1 Complete the application at transportnsw.info/school-students.
Step 2 Print, sign and submit the form to the school for endorsement.
Step 3 The school will then forward the application to Transport for NSW for processing. Once approved, Transport for NSW sends the School Opal card to the home address given in the application.

The application may take several weeks and the applicant’s email address is required.

If the student doesn't qualify for free travel
They may be eligible for a Term Bus Pass which offers travel on buses between home and school at a discounted rate for the whole school term.
