Semester 1 Reports and Parent/ Teacher Interviews-

Parent - Teacher interviews provide a wonderful opportunity for discussion to take place regarding individual student progress, as well as any concerns or areas for future development. During the Parent - Teacher interviews this year, Semester 1 reports will be handed out. **Reports will not go home prior to the Parent - Teacher Interviews.** Parent - Teacher interviews will be held during Week 10. Notes and further information will go out in the coming week.

Campbelltown Public School staff value the communication between teachers, parents and students and encourage all parents to schedule an interview time to receive your child’s Semester 1 Report.

Uniform-

Following community feedback, we have been looking at making additions to our school uniform. At present, we are surveying the students and community regarding the current uniform as well as looking at adding a jacket and a girls dress to the uniform.

We will have a display under the COLA before and after school on Thursday 28 May and Friday 29 May for parents to look at the dresses and jackets and give feedback on current uniform items.

Permission to Publish-

Teachers regularly take photos of students in class and school events. Photos are taken to celebrate student and school successes and promote events. Photos are often taken with the aim of including them on our school website, newsletter, Skoolbag app or the Campbelltown East Facebook page. When photos are used in any of these media devices, full names of students are never published. Many students have the box ticked I DO NOT give permission to publish. If you would like to amend the permission you have given your child, please fill out the form attached to the end of the newsletter or see the office.

CEPS Student successes in sport at a Zone Level-

We have recently had a number of students represent our school and the zone in a range of sports. We have had great feedback about the behaviour and attitude of our students whilst representing the school. Over the next newsletters, we will showcase the students who have represented our school.

**Stephanie S** - Stephanie has represented our school at Netball. Stephanie made it into the netball team after competing against over 60 girls in the area for a spot on the team. Stephanie and the Campbelltown Zone team were one of 9 teams representing the region. Congratulations Stephanie on your positive approach and the skill and determination you represented yourself and our school with.

Regards,

Mrs Janene Cook
Principal

Campbelltown East Garden Club

With the help of Peter Dawes from Mt Annan Botanic Gardens, some of the staff and students at Campbelltown East now have the Garden Club up and running again for this year. We have big plans to grow vegetables and more in our existing garden beds. We also want to create beds around our trees at the front of the school to make our school even more beautiful and inviting. We have been working hard together to make a good start on what needs to be done and we are keen to taste the fruit of our labour as soon as possible.
CEPS would like to invite you to come and get involved in some Information Sharing Sessions showcasing programs that are happening within our classrooms. The sessions aim to provide you with tips and tricks to use at home with your children.

We will be starting our first Information Sharing Session on Wednesday 3 June at 9.15am with a sharing session on our new school report format and “Being a Parent Helper.” We would love to see you there.

**When**- Wednesday 3 June

**Time**- 9am- tea and coffee and a biscuit
9.15am- Session begins

PSSA Reports

Netball

Coaches comments – Mrs Gunning

On Friday I took a senior and a junior team to the Netball Gala Day with Mrs Cibilic and Miss Saulog. It was such beautiful sunny day – something we were all hoping for after the varied weather we had had leading up to the Gala Day. The students have shown a wonderful commitment to netball. They all played competitively and fairly. Both teams had 3 games each which played 7 girls at a time they were continually swapped around in their own games as we had 13 seniors and 14 juniors.

A huge thank you to Rebecca Dillow, mum of Stephanie S, for assisting our teams with training leading up to the Gala Day. We were also lucky enough to have her referee most of our games on Friday. She was continually running, watching and was a very fair referee to all the students. We also want to thank Mel from the Performing Arts High School, she was invaluable as an assistant referee.

We had a lot of parents attend and support their girls, thank you to everyone that attended, the girls loved it. The senior team lost all their games, but played very well and the juniors won all their games. Great work girls, you all did a fantastic job on the day.

We had a great day today at Netball with everyone showing great teamsmanship. We played three different schools Campbelltown North, Claymore and Rosemeadow. We were fairly close in our first two games, but our third game was really hard. We all tried hard and one thing we did was we got better at passing by the end of the day. *By Malina M 5-6G*

**Soccer Blue**

**Coaches Report – Mrs Craig**

The Blue Soccer Team attended the Gala Day at Koringa Reserve in Saint Andrews. We were short some players this week, but some lovely Yellow team members joined the Blue team for the day. Also some of our Juniors played up in the Seniors to make sure we had enough people there too. The Junior teams play on a modified field, but the Seniors play on a full field!!! Each team played three games, and I am so proud of the teamwork and good sportsmanship they displayed throughout the day.

The first game started with a junior player being hit in the face by the ball, but she was brave and continued playing. For the second round of games we played against the CEPS Yellow team and it was a novelty for all involved. It got a little confusing at times as to who was on whose team and there was a lot of giggling and fun both on the sidelines and on the field.

Most students did their best to represent the school in a safe and respectful way - We just need to work on remembering what to do in between games. Sitting in our designated area, not continuing to play ball games on the sidelines!!!! Thankyou Blue team for a fantastic Gala Day. I look forward to the next one in Week 8.

Game 1  0-8 vs Campbelltown North B
Game 2  6-2 vs Campbelltown East Yellow
Game 3  2-5 vs Briar Rd B

It was a great game with Campbelltown North, they were a really strong team. North was a fair team and we all played a good game. North were a good strong team and we put up a good fight, but unfortunately we lost 0-8. By Mikayla D 5-6G, Deborah N 5-6G, and Kimberley C 5-6G

Soccer Yellow

Coaches Report – Miss Murray

On Friday the 15, 44 students, making up 4 teams, attended the soccer gala day. It was fantastic to have two teams each in both junior and senior to go up against Campbelltown North and Briar Road Public Schools. Despite having had only one training day, the students were all keen and enthusiastic about playing the best they could.

Each team had the opportunity to play 3 matches, one each with Briar Road and Campbelltown North, as well as opposing each other! Following the first game, all students came to appreciate the importance of working together and the value of all positions in forming a strong and competitive team. As the students discovered their individual strengths, they were able to organise themselves to create a formidable and cohesive team.

Ellie-Leigh was able to use her experience to support her team into developing effective strategies to work together, and this saw the students gain confidence and improve markedly in each of their matches. Though the senior teams had more experience they faced some fierce opposition against the other teams and worked together and in their last game managed to score a number of goals against Campbelltown North. The support all players showed, and the way they worked together and cheered each other on was a clear strength of all teams.

A highlight of the day was definitely when the CEPS teams had the opportunity to play against each other. Though having the opposing team in the same uniform was confusing, all students had a lot of fun indulging in some friendly competition with each other. Both juniors and seniors at all times demonstrated fantastic sportsmanship and displayed their PBL values and showed respect to their peers, teachers and the referees. Both myself and Mrs Craig were very impressed with all students and are looking forward to next time.

Game 3  0-4 vs Campbelltown North A
A collaboration of comments from both teams about the CEPS game – Blue vs Yellow.

It was so cool to play against our mates – like at school with training, but real. By Whitney B 3-4S (Blue) This game was a lot of fun. We got to verse our best mates and the score was 4-2 so it was fairly even. By Mia 3-4S (Yellow) OMG! It was awesome when we versed each other. We got to play with our friends. I loved it. Levi scored a goal and Ellie did too – she got 2. And then some other players scored too. By Tyler M 3-4S (Blue)

Rugby League

Coaches Report – Mr Tobin

On Gala Day, I took two CEPS teams, totalling 25 students to represent the school playing Rugby League. This year we are lucky enough to have a junior and a senior team participate. We played 11 a-side on a modified sized field. It was a lovely, sunny day, perfect for a good game of footy. Most students on both the junior and senior team have never played rugby league before. However, they were very competitive and improved rapidly after each game.

A standout performance was when the senior team became very enthusiastic about making big tackles against a tough Claymore team. After some excellent tackling, even our opponent’s biggest players were hesitant to run at Campbelltown East who had become tackling machines. I named Jaidon as a star player in this match. His tackling made all the difference.

The juniors were at their best when they had good communication in defence. They were able to move up in their defensive line together and make great tackles, even when the ball was sent out wide or given to a big forward runner. One junior player stated “all of us were supporting one another. We gave one another high-fives and cheered when we made a big tackle or run”.

Students were lucky enough to play 4 fantastic matches each. They had so much fun, not just playing football, but watching entertaining matches and spending quality time together. I was very impressed with everyone’s performance and behaviour. He can’t wait to take both teams out for more football in Term 2, week 8. Congratulations to all the CEPS rugby league players on a great day!
Junior Rugby League

On Friday we went to Gala Day and we played four games. We got cool new jerseys. The first team was Bradbury, but we lost to them. Our next game was Rosemeadow B which we won, and Then Rosemeadow A which we had a draw. Our last game we versed one of the best teams in the comp – it was Claymore. They were a tough team and we ended up losing and got a few injuries. We all had great fun on our Gala Day. **By Hunter C 3-4E and Rayner S 3-4E**

Senior Rugby League

When we went to the Gala Day we had lots of fun. We won the first two games and lost the last two games. It was really fun because I saw some of my friends from different schools that we played against. At the end we played a cool game of catch. The game was if you catch the ball you get two lollies from Mr Tobin, if you don’t catch the ball you only get one. But nevermind that, the best part was when we came together as a team and had fun and just played for fun. **By Carlos T 5-6W**

School Sport Reports

School Sport 1 - Stage Two

In the morning we read Charlotte’s Web. After that we went outside to collect sticks so we could make spider webs. We made our spider webs out of sticks and wool. My spiderweb was white. We got to take them home at the end of the day. **By Blake J**

In the middle session we completed lots of different activities. We made spider webs, did word searches, answered questions about Charlotte’s web and we watched the movie Charlotte’s web while we did our activities. **By Destiny L**

In the afternoon we played sport with the Year five and Year six group. As it had become a bit stormy we played bin ball and handball in the hall. When we played bin ball for the first round we played in mixed teams. In the second round it was boys against girls. When we played handball it was a competition to see who was the best. We had lots of fun. **By Yraen M and Helea Y.**

School Sport 2 – Stage 3

On the 15 May it was Gala Day. While the other students went to play Soccer, Netball and Rugby League we had a theme day – our theme was pirates. First of all we did a pirate writing task, where we created a word map. Then we had to add to the map by drawing lots of pirate pictures. After that we did an acrostic poem about pirates. It was a fun morning. **By Maryam A 5-6W**

In the middle session we had to finish our maps and pirate pictures. After that we did some work on explaining what pirates look like. We had to come up with words to describe pirates, some people may not know what they look like, so our job was to explain so they would get a picture in their head about our pirate. After that writing activity we were able to make a find-a-word. Some people’s were easy, some people made theirs harder. **By Liy-Rose H**

In the afternoon session we put away our pirate activities and headed to the all for sport. We went with the Year 3 and 4 group. We got to play binball and handball. It was a great way to finish the day - everyone was happy and everone had fun. **By Lishelle M**

Your consent and declaration

I have provided information about the learning and support needs, including health condition(s) and/or special need(s) and/or history relevant to a risk assessment, related to the student listed in Section A of this application form.

I consent to the school/Department of Education and Communities seeking information from previous schools, other NSW government departments, public hospitals, health professionals or other organisations that may also hold information related to this assessment for the student named on page 1.

I consent to the health professional(s) treating any medical or health condition identified in this application, to provide the school/Department of Education and Communities with information about any condition that has been identified in this application. This may include any other aspects of the student’s health that may impact on the condition or on the health and safety of this student or other students at school or on staff at the school.

Declaration of accuracy

I have read the information on this page concerning the collection of personal information, student email access and publishing student information.

I declare that the information provided in this application is, to the best of my knowledge and belief, accurate and complete.

Where I have given personal information about other people I have done so with their authorisation.

I am aware that if information I have given is false or misleading, any decision made as a result of this application may be changed.
