The P&C meets on the 3rd Tuesday each month. All parents/carers and community members are welcome.
welcome to the Term 3. It is great to see the students back at school and to hear the great stories students have to tell about their holidays. Semester 2 is set to be a very busy and exciting time at Campbelltown East with a number of events planned. These include Athletics Carnival, Education Week, Book Week and a school Extravaganza in Term 4.

Education Week

Next week is Education Week. During the week we will be celebrating the theme of “Celebrating Local Heroes”. There will be an assembly on Wednesday 29th July at 10am in the hall, followed by Open Classrooms, an Art Show and a picnic lunch. We would love to see you come along and join us.

Minion Movie

Congratulations to our student leaders, Natasha, Josh, Danielle and Loai for all of the work they did on the Minion movie night. I was really impressed with their teamwork, dedication and effort they put in to making the night a success. The night was a big success with over 320 students, staff and families in attendance. We made over $1500 to go towards upcoming school programs. Well done to our student leaders!

NAIDOC Week

NAIDOC Week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. This year at Campbelltown East PS, students participated in a range of activities including demonstrations of Aboriginal weapons and tools, the story behind the CEPS Aboriginal mural under the COLA, students participating in a chalk Rainbow serpent and a display of student artwork in the hall. There are a dedicated group of staff who work hard to ensure that all students are provided with an opportunity to engage with and experience Aboriginal culture during the week. I take this opportunity to thank Ms Claussen, Mr Tobin, Mr Storey, Mrs Zorzut and all staff involved for all of their work.
Woolworths Earn and Learn Program

Our school is taking part in the Woolworths Earn & Learn Community program, which runs from Tuesday 15 July 2015 to Tuesday 8 September 2015. Woolworths will give you one Earn & Learn sticker for every $10 you spend in store (excluding the purchase of cigarettes, alcohol and gift cards).

All you need to do is place the stickers on your Woolworths Sticker Card available from your local store or you can print your own using the attachment above.

When completed you can bring the completed sticker card to the Front Office at school and place into the special collection box or our school has collection boxes at Campbelltown Mall Woolworths Store where you can drop off your stickers.

At the end of the promotion our collection of points can be against a choice of more than 7,000 educational resources. This list is extensive and includes library books, classroom equipment, art & craft materials and much much more...There’s no limit to the number of points we can collect, so your participation will really make a difference.

Students can also drop stickers into our green Woolies collection box in the foyer if they do not wish to place them on the sticker card.

THANK YOU FOR YOUR SUPPORT

2015 Voluntary School Contribution

Dear Parents/Carers,

On behalf of the P&C Association I would like to welcome you and your family to another year at Campbelltown East Public School. I trust that you have had an enjoyable start to the school year.

The purpose of this letter however, is to gain your support in raising funds for the children at the school. As you know, costs continue to escalate in educating our children to the standard we expect. This contribution is a small but essential part of the role that parents/carers can play. As a result, the P&C have set this year’s figure at $25.00 per child or $35.00 per family. I would like to stress that payment of the contribution is voluntary, but the money is sorely needed! All monies raised through contributions goes to the school, not the P&C Association.

Finally, while taking the opportunity to stress the importance of your contribution to the school’s finances, all parents/carers and their children are assured that no embarrassment will occur if you are unable or unwilling to pay the contribution. Partial payment is also welcomed.

Please send your money as soon as possible to the school office and a receipt will be returned to you shortly after.

I hope you are able to assist the school to best provide for your child/ren.

Yours sincerely,

Melissa Dimitrislis

**Key points to remember around schools**

**4 Hold your child's hand**

As pedestrians, children can be easily distracted and are often too small to be seen by drivers. They may be unable to predict or identify dangers and tend to act impulsively.

Talk with your child about safe behaviour on the footpath – it is not a safe place to play. Include discussion on the dangers of vehicles that may be entering or exiting driveways.

Until your child is at least eight years old, hold their hand:

- on the footpath.
- in the car park.
- when crossing the road.

Up until at least 10 years old, supervise your child very closely, holding their hand when crossing the road.

If you cannot be with your child, organise for another trusted adult to accompany them.

After school, meet your child at the school gate. At the end of the school day children may be excited, distracted and tired and may not concentrate on road safety.

**5 Helmet and safety on wheels**

Your child must wear a helmet when riding a bike in any public place – it's the law.

Your child's helmet must comply with the Australian and New Zealand Standards. It must be securely fitted and fastened on their head.

Check that your child wears a bicycle helmet whenever playing or riding on wheels – bikes, foot scooters, rollerskates, skateboards or rollerblades. The helmet should be firmly buckled so it fits without wobbling or slipping to the sides. It must protect the forehead.

Although children quickly learn to pedal, steer and brake, they are not ready to cycle near traffic or on the road.

Children under 12 and adult riders accompanying and supervising them may ride on the footpath, unless there are signs specifically prohibiting cycling.

When riding on the footpath, cyclists must keep to the left and give way to pedestrians. Children need to take special care at driveways where vehicles may be driving in or out. At intersections, children must dismount and wheel the bicycle across the road as a pedestrian, following the "STOP! LOOK! LISTEN! THINK!" procedure.
