The P&C meets on the 3rd Tuesday each month. All parents/carers and community members are welcome.
Extravaganza - 2015 is an exciting year for us all at Campbelltown East PS as we prepare for our EXTRAVAGANZA. Following your recent feedback we are going to be holding a Creative and Performing Arts Extravaganza where each class will put on a performance to a movie theme. The performance will all go together to create an EXTRAVAGANZA (school performance) at Events Cinema later in the year. We encourage all students to participate in this exciting event. Further information will be coming out this week.

Parent Conference - Each year Campbelltown and Macarthur schools run a Parent Conference at John Warby Public School. This year’s conference is titled “Happy Child! Happy World!” The conference will have guest speakers including Dr Michael Freelander talking about Child Well-being, Mathew James from Psychfit talking about mental health and young children, a presentation from Burnside Uniting Care and an Well-being Art Therapy session as well as performances from local schools. The conference is on Friday 11 September. If you are interested in attending, please let the office know ASAP. The conference is free but there are limited spaces.

Education Week - Last week schools across the state celebrated Education Week. The theme of Education Week 2015 was Local Heroes, and our school was very lucky to have a local hero named Gabbi Anderson come to our school and talk at the assembly. Gabbi is a student at Campbelltown Performing Arts High School who already achieved great things, including Young Citizen of the Year 2015. Thank you Gabbi for coming to our school and inspiring us all.

Thank you to all of the parents and friends who attended our assembly, visited our classrooms or even visited the Art Show. We greatly appreciate the support you provide our students and the school. Thank you to Mrs Craig and her team for all of your organisation and hard work in making the day a success.

Uniforms - Wearing full school uniform each day is very important. Recently we have had several students coming to school each day without their school hat or school jumper. We understand that at times hats and jumpers are misplaced but would appreciate your support in ensuring that students come to school wearing their school uniform and save their casual clothing and hats for home.

New Uniform - Thank you to everyone that completed the survey on school uniform. There will be 2 items added to our uniform - a girls dress and a royal blue/ gold school jacket (see below).

Both of these items are additions to our uniform selection and do not replace any item or have to be worn. Both the dress and the jacket have been ordered, we will keep you informed as to their arrival and their cost.

Attendance - Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. Schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

The importance of arriving on time

Arriving at school and class on time:
- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before class
- Reduces classroom disruption
Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:
- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
Exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child’s school with a verbal or written explanation for the absence.

Principal

Woolworths Earn and Learn Program

Our school is taking part in the Woolworths Earn & Learn Community program, which runs from Tuesday 15 July 2015 to Tuesday 8 September 2015. Woolworths will give you one Earn & Learn sticker for every $10 you spend in store (excluding the purchase of cigarettes, alcohol and gift cards).

All you need to do is place the stickers on your Woolworths Sticker Card available from your local store or you can print your own using the attachment above.

When completed you can bring the completed sticker card to the Front Office at school and place into the special collection box or our school has collection boxes at Campbelltown Mall Woolworths Store where you can drop off your stickers.

At the end of the promotion our collection of points can be against a choice of more than 7,000 educational resources. This list is extensive and includes library books, classroom equipment, art & craft materials and much much more...There’s no limit to the number of points we can collect, so your participation will really make a difference.

Students can also drop stickers into our green Woolies collection box in the foyer if they do not wish to place them on the sticker card.

Sport Update

PSSA Reports

With Gala Day this week we thought it would be a great time to recap what happened at our last gala day – Week 8 Term 2. We hope you enjoy reading about the sporting exploits of the Campbelltown East students.

Netball

Junior Netball

Game 1  5-4 vs St Helens Park
This was a tight game in the scoring but we played the best. In the first half we did better than them, and in the second half we worked really hard to beat them to as many passes as we could. While we only won by one goal it seemed easy to beat them – maybe they need to train more. I love netball. **By Bailey**

Game 2  5-0 vs Woodland Rd
We won the second game but we didn’t play our best considering they were pretty easy! They were trying their hardest and there was one girl that kept saying that I have to stand next to her – coaching me – but I didn’t have to stand next to her. But you know, every team has their ups and downs here and there. We really enjoyed this game but we know we can improve. **By Isla and Priya**

Game 3  4-1 vs Ambarvale
We think that this was a great game. We won quite well, but we respect the other team for the efforts they put in. They tried really hard and made us work hard for our goals. It was a good game all round. **By Eliza and Lauren**

Senior Netball

Game 1  7-11 vs St Helens Park
They were pretty good players, they were tough. They need to stop pushing a bit, but overall it was good. The score was 7 goals for us and 11 for them. **By Natasha and Stephanie.**

Game 2  7-11 vs Woodland Rd
It was a pretty hard game – they had lots of tall people – especially the goal shooter she was really tall!!! We all did really well and made some great shots for our goals. **By Malina and Fatima.**

[Bec is Ms Dillow the Netball Teams fabulous coach/parent volunteer]
Ambarvale had really good players, but some were easier to mark and get the ball off. This was our first PSSA win and it felt pretty good. We all really enjoyed this game – it was a lot of fun. We hope that we can have some more wins – even if the games are tough. By Sarbira and Sarah

We had a really fun day and met lots of new people. Some of the teams were hard and we had to play our very best just to keep up with them. It was a really hot day, so we had lots to drink and rested between games. It was nice that we had a win in our last game – very exciting for us. Overall we had a really fun day. By Shefaa and Samantha.

Soccer Blue

Junior Soccer Blue

Game 1 0-5 vs Campbelltown North A
Game 2 1-1 vs Campbelltown East Yellow
Game 3 5-1 vs Briar Rd A

Here are a collection of comments from various games throughout the day from our junior players:-

It was a really good game. I enjoyed everything about it. It was so much fun to be playing against another school – although I did get hit on the back by the ball!!! Besides that, I really enjoyed it very much. by Laylah

It was a really fun day at Gala Day this week. We got to play three games, one against our own school again. My favourite game was the third one – it was the most fun. By Whitney

It was fun to go to Gala Day and play some other schools. I get to play soccer outside of school – I play at home and at Waminda Oval. But it is more fun playing as a team and against another team. It was a great day and I enjoyed it. By Helena

Senior Soccer Blue

Game 1 0-6 vs Campbelltown North A
Game 2 2-0 vs Campbelltown East Yellow
Game 3 1-1 vs Briar Rd B

Here are a collection of comments from various games throughout the day from our senior players:-

Our day was really fun because we got to go outside and play instead of being in the classroom. We played two other schools and against our own school. It was good to try and do some of the things we have been doing at training – some of them worked some didn't. By Mikayla

I was a great defender, but couldn’t do much without Connor M to help me clear the ball. We had good strikers who kept trying to score. Overall we have a good team full of lots of cool people, but could perhaps work on our teamwork. By Ryan

Soccer Yellow

As Mrs Zorzut was absent from Gala Day One and didn’t get to do her report from the perspective she has combined the two report stylesthisis Gala Day. So below we have a from a student and a comment about the student!!!!!
Junior Soccer Yellow

Game 1 0-4 vs Briar Rd B
I enjoyed defending the ball and I thought I did well with my passing. *By Mia*
- Mia tried her best working the ball out from our goals and supporting her team mates. Well done, Mia!!

I was a defender in this game and tried really hard to block the ball from getting into the goals *By Taleah.*
- Taleah was very involved in the game and worked hard to get the ball from the opposition team. Taleah played well!! Good Job!!

Game 2 1-1 vs Campbelltown East Blue
I enjoyed how people displayed teamwork and I played fairly. I liked how I ran from halfway with the ball, without the defender taking the ball off me. *By Mariam.*
- Mariam displayed a great deal of confidence in dribbling the ball. She played fairly and made sure she shared the ball with her team mates.

Game 3 4-0 vs Campbelltown North B
I liked helping my team to win. It was hard work but I really enjoyed this game. *By Jainish*
- Jainish worked as part of a team and showed great sportsmanship. He saved the ball several times as goal keeper and tried his best at all times. Well done Jainish!!

I enjoyed trying to get the ball from the opposition players. It was hard work sometimes, but I liked it when I did get the ball. Playing soccer is fun. *By Summer*
- Summer played well for her team. She made many attempts to get the ball back from her opponent and was successful many of those times. Summer never gave up and continued running up and down the field, trying to score a goal for her team.

Senior Soccer Yellow

Game 1 1-1 vs Briar Rd B
I enjoyed playing the whole game with my team mates. I think I did well with my dribbling and passing. We enjoyed the game against Briar Rd as every player showed good team work. *By Loai*
- Loai showed great sportsmanship throughout the first game. He made sure he passed the ball to his team mates and was trying his best at all times.

Game 2 1-1 vs Campbelltown East Blue
I had a nice day! I enjoyed running around the field with my friends trying to get the ball off the other team. *By Tennile*
- Tennile tried her best at all times. She worked hard blocking the ball and kicking it back to her team mates. Tennile ran for the ball and didn’t give up. Great job, Tennile!!

Game 3 0-8 vs Campbelltown North B
The game was fun and I enjoyed playing striker. I believe we had improved our defence in this game. *By Richard*
- Richard was a team player. He shared the ball with his team well. He changed position when needed without a fuss, and was trying his best. Excellent job, Richard!!
Rugby League

Junior Rugby League

Game 1 4-2 vs John Warby
It was a fun game. I was captain for this game and enjoyed being able to do that. It was great fun playing with my friends and it was nice that we won. *By Quincee*

Game 2 3-5 vs Ruse
This game was fun. Unfortunately we lost – but I got three man of the match votes. One of my teammates said “You are man of the losing match”. But that was okay, I didn’t mind that we lost because I played the best and we worked hard as a team. *By Rayner*

Game 3 2-7 vs Blairmount A
I had a sore rib so I wasn’t allowed to play – but it was fun watching the games. The team played really well in this game but didn’t defend well enough to get the win. It was a good day overall. *By Zain*

Game 4 4-4 vs Briar Rd
It was a good game by the CEPS team. We played really well and the other team did too. This was a fair result because we were pretty evenly matched. *By Nathan*

Game 5 4-3 vs Blairmount B
It was a good game, very close and we managed to win it. It was interesting for me as I was versing someone that goes to my church – that is another fun thing about Gala Day, we see people from other schools and other things we do. *By Robert*

Senior Rugby League

Game 1 4-4 vs John Warby
John Warby was a good, tough, fair game – it was good it ended in a draw as that was probably a fair result. Yes we had our ups and downs, but overall we played well. The boys and girls made good tackles and contact, and runs. I was proud I did a great tackle and didn’t injure the other player!!! It was a bit muddy, which made it more fun. *By Jordan*

Game 2 2-3 vs Ruse
This game was tough. We played well and tried hard. Even though we lost 2-3 we still put up a good fight, which means a lot more than winning to me. *By Angus*

Game 3 2-10 vs Blairmount A
The third game was our hardest game – and we ended up losing badly!!! In the first half it was very close, but we slid away in the second half. They just over powered over us and put on too many tries. *By Joel*

Game 4 9-3 vs Briar Rd
We went into this game thinking they would be easy, but they weren’t as easy as we thought. They made us work hard for our tries, and while we ended up winning by a bit, it was a hard game. Good work Campbelltown East. *By Connor*

Game 5 6-7 vs Blairmount B
This was our last game of the day and we were all very tired. We gave it our all and fought hard, but they got us by one try. It has been a really good Gala Day – lots of tough games and great fun with my friends. 

**By Jaidon**

**School Sport Reports**

**Stage Two Sport Group**

**Morning session**

We did activities based on the Ronald Dahl book “The BFG” some of the activities we did were

- Designed the inside of The BFG’s cave
- We created our own Dream Jars
- We created a meal plan for the BFG
- We wrote acrostic poems
- We did some creative writing on what we would do if a giant picked us up in their big hands!!!!

*By Kaloni and Helena M.*

**Middle session**

We watched The BFG movie while we completed our activities from in the morning – we had lots of interesting things to chose from. After that we went outside to estimate and measure how tall we thought the BFG is. The BFG is very tall!!!

*By Yraen.*

**Afternoon session**

For sport we joined with the Stage Three sport group and did some more skills training. This week it was soccer and cricket. We got to practice dribbling the soccer ball and trying to be tricky with it. At cricket we had to try and catch the ball when someone else hit it to us. It was fun.

**Stage Three Sport Group**

**Morning session**

In the morning the class (4-5Z, 5-6G, 5-6W) worked with Mr Gunning and we did some math activities. I don’t like maths much – but only because I find it kind of easy!!! Some people were excited to do the activities and some people were not happy to do them. I got them done really quickly. Mr Gunning had some fun stuff for us to do and some cool resources to use – like rulers with calculators in them. By the way I loved this session.

*By Noah*

**Middle session**

During the middle session we did more maths – I thought we were going to do maths the whole day which didn’t make me happy, but then I realised it was cool maths!!! We did some investigations based on mass. Mr Gunning had some toy trains and he wanted us to estimate their length and size. We worked out the little train was five times smaller than the biggest train. Then we did a teen weeny bit of science. We had to get a battery and a LED Christmas light and work out how best to connect them together to make it work. In the end I loved this session.

*By Aaliyah*

**Afternoon session**

For sport we did cricket skills and soccer skills. We split into our two groups and spent half the session with Mr Gunning at cricket and half the session with Miss Sheppard at soccer. It was nice to finish the day with some sport.

6 Driving and parking safely near the school

School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.
Always take extra care in 40km/h school zones, which operate on gazetted school days.
Park safely even if it means walking further to the school gate.
Observe all parking signs. They are planned with children's safety in mind.
NEVER double park as it puts children at risk.
Model safe and considerate behaviour for your child – they will learn from you.

Slow down near the school crossing.
At a supervised crossing, observe the directions of the school crossing supervisor.
Always park and turn legally around the school.
Avoid dangerous manoeuvres such as U-turns and three-point turns.
Always give way to pedestrians particularly when entering and leaving driveways.
Avoid parking across the school driveway or the entrance to the school car park.
Using your school's drop off and pick up facility will help keep all children as safe as possible during the busiest times of the school day.
Avoid parking in or near the school bus bay.
